Memo

To: Chief Jimmy Warren

From: Lt. Campbell 

Date: 05 January 2007

Re: Gomez, Mario and Gomez, Awilda

This report is an inquiry of the arrest of one Mario Gomez and his wife Awilda Gomez of 1 River Plaza, Tarrytown, NY on the 17th October, 2006 at approximately 2245hrs in front of 30 Beekman Avenue in this Village. A review of this incident was assigned to me by Chief Warren to determine if any misconduct or violation of departmental rules and /or policies was committed by any member of this department that would adversely affect the integrity of the department. The incident is also being reviewed to protect all officers involved, and to ensure that Mr. and Mrs. Gomez were treated fairly and appropriately.

A review of the incident has thus far revealed none of the principles coming forward to file a complaint or allege any misconduct by any member of this department that would presumably bring departmental or criminal charges. However, the department initiated a review of the incident by trying to authenticate rumors that have circulated on the street and having being contacted several times by the journal news of said rumors.

Your investigating officer initiated the review by meeting with Mario Gomez and his wife, Awilda on their return court appearance date of 10/23/06 at approximately 1630hrs. I talked with Mr. and Mrs. Gomez's in the hallway outside the court room and advised both of them that I've been assigned to review the incident that resulted in him being arrested for the following Penal Law. sect. 240.30, 205.30, 120.05, 195.05 and his wife, Awilda being arrested for the following Penal Law sect. 205.30, 195.05 and would like to interview them on what exactly happened that resulted in them being arrested. I asked Mr. Gomez and his wife if it's okay that I call them and set up an interview. Mr. Gomez stated not a problem and had his wife, Awilda give me their home phone number. I advised Mr. and Mrs. Gomez that they could have and should have their attorney's present for the interview.

The following days and weeks I called the Gomez's residence several times with the number they gave me and made several attempts in -person at their 1 River Plaza, Tarrytown, residence to no avail. I was later advised by Awilda Gomez's attorney, Janet Gandolfo that I could not speak with her client while charges were pending, and that she would speak with the District Attorney on the matter. I complied with her attorney's request and ceased contact with both principles. Later, I was informed by Chief Warren that he was given a memo by Judge Waters on November 06, 2006 that no contact was to be made with Awilda Gomez and Mario Gomez but through Counsel. See attached memo.

During the course of reviewing this incident, your investigating officer did obtain reports from all officers involved, Detective. Jose Quincy, Lieutenant Hayes, Officer Micheal Gasko, Officer Micheal Hayes, Officer Richard D'Alessandro, Officer Eldryk Ebel. At the time of reviewing all reports your Investigating Officer found all reports appearing to be consistent in their observation of events. However, all Officers are to be interviewed upon representation of an attorney. See attached reports.

Tarrytown Police officers, Sgt John Daly and Detective Darryl Stiloski responded to the scene upon hearing the request for assistance. However, your investigating officer met with Chief Scott Brown of the Tarrytown Police Department and was advised that they would not cooperate with my inquiry.

Your investigating officer did canvass the neighborhood seeking potential witnesses and found that the Village Wine and Spirits, at 31 Beekman Avenue, an alcohol beverage establishment owned by Rodney Rodrigues, has surveillance equipment for protection of his store. Upon speaking with owner, I asked if his camera could've possibly picked up footage of the incident on noted date. Mr. Rodrigues respectively replayed back the date, 17th October 2007 at approximately 2230hrs and found the camera showed dark and unclear footage of incident. The security camera in the establishment is positioned to show the front counter of the store and the front door but appears to be angled enough to show obstructive views of the incident, which occurred right across the street. The footage was viewed by myself and Chief Warren, but was found to be some what indiscernible due to the obstructions, darkness and clarity of the footage. A Copy of this footage was subpoenaed by the Westchester County District Attorney's office for review.

A canvassing of the neighborhood has only furnished two witnesses that have been willing to give signed statements. Debralyn Press of 38 Beekman Avenue, Sleepy Hollow who appeared to have heard screaming, and observe a person being beaten, and surrounded by five figures. I attempted several times to illicit a more precise and accurate description of what she saw but it was to no avail. Another Statement was from Eulalia Guzman of 46 Beekman Avenue, Sleepy Hollow who was more precise in what she saw stating the officers were trying to calm Mario Gomez down before he threw three to four punches at Detective Quinoy before he was restrained by the officers on scene. (Ph) see attached statements with report. At this present time I am still searching out witnesses with earnest to help further the validity and/or invalidity of this arrest.

In addition, the Journal News published an article of the allege incident on 06 November, 2006 encouraging any one with information to contact me at 914.631.0765. At this time, no one has contacted me or Chief Warren with any information.

The Taser X26 was used within the guidelines of Department policy to gain compliance of Mr. Mario Gomez, who was non-compliant by refusing a lawful order. After reviewing all reports it would appear Mr. Gomez was given several orders to cease fighting, and resisting with the officer's on scene, before he was drive stun several times with little or no effect to get compliance. However, there was a failure with Officer Hayes's taser which may have caused it to fail to fire and possibly making it ineffective during the incident. This taser was returned to the manufacture for further evaluation. This report is still pending at the time of this report.

In conclusion, upon reviewing this incident I find it not sustained. My investigation did not produce sufficient evidence to clearly prove or disprove any misconduct on part of any member of this Police Department. Although, Detective Quinoy may have erred in judgment in meeting Mr. Gomez outside headquarters' with Officer Gasko, knowing that Mr. Gomez was angry and infuriated on the phone before arriving at headquarters. There was no violation of any Department rules, regulation and or policy. Subsequently, while Mr. Gomez did receive medical treatment for injuries sustained while struggling with officers, Detective Quinoy was also treated for injuries, and missed several days at work from injuries received during this arrest. It is my recommendation that this file should be closed until such time that other witnesses or information becomes available to help clarify the events that took place on 17th October, 2006 in and around 2230hrs.
